WHAT WILL YOUR PENN STATE STORY BE?
Every Penn Stater has a story. What do you want yours to be?

The Penn State story is where old-school tradition meets 21st-century innovation. Where things like studying hard and making the most of opportunities never go out of style.

From our earliest days as the Farmers High School to being recognized today as one of the top 50 universities in the world, we’ve measured student success by going from the “ah” of understanding to the “aha!” of discovery.

It’s why Penn State is investing $30 million to nurture business start-ups springing from student ideas and faculty research. It’s why new majors are being launched to meet the demands of a changing, challenging, and technologically charged world. And it’s why Penn State is at the forefront in solutions to address some of the most pressing environmental and humanitarian problems facing the planet.

It’s a story that you can be part of.

What will your Penn State story be? Start finding out today.
THON is a student-run year-round fundraising and awareness campaign for the fight against childhood cancer. Since 1977, THON has raised more than $157 million for Four Diamonds at Penn State Hershey Children’s Hospital.

Numbers only tell part of the story. To get the whole story, you have to look past the numbers.

That’s when you begin to see how Penn State students come together from 20 undergraduate campuses as one community and how a vast alumni network of nearly 700,000 becomes an extended family.

Look closer, and the numbers show the power of a shared purpose to live, learn, and succeed.

That’s the Penn State story.

WHERE WILL YOUR STORY BEGIN?

CHOOSING A PENN STATE CAMPUS

There is only one Penn State. But the path toward a Penn State degree can start at one of 20 campuses in communities across Pennsylvania. Find the one that’s right for you.

Campus Options

- 20 unique community settings
- Variety of urban, suburban, and rural locations, including several campuses within a short drive of Philadelphia, Pittsburgh, and other major cities
- Options for living on campus, off campus, or commuting from home
- Four-year degrees at every campus
- Engaged learning opportunities capitalizing on campus partnerships with local business and industry
- Clubs, organizations, and athletic teams at all locations
- Tuition savings—see the “Know Your Numbers” section on page 11 to compare campus costs

HAVE YOU HEARD ABOUT THE 2+2 PLAN?

More than 50 percent of students spend their first two years at one campus, then transition to another campus to finish their degree. We call it the 2+2 plan, and it’s the most common path to a Penn State degree.

FINANCIAL AID

Applying for financial aid

Financial aid—whether in the form of loans, grants, work-study, or scholarships—can be an important part of putting a Penn State degree within reach.

- Start by submitting the Free Application for Federal Student Aid (FAFSA) on the Web at fafsa.gov. Penn State is federal school code 19125.
- Next, if you have filed your 2017 Federal Income Tax Return, we recommend that you use the IRS Data Retrieval Tool—available after October 1 on the FAFSA website to complete your FAFSA. Using the tool will save you time and increase the accuracy of your FAFSA.
- Complete the FAFSA on the Web by our recommended filing date of December 1. For students enrolling the FAFSA by December 1 of the current year, awards will begin receiving Student Aid Award Notifications, which will include all forms of student aid, in mid-February. This will allow maximum consideration for financial aid.

For students submitting the FAFSA by December 1, please note: Pennsylvania residents must submit their FAFSA by May 1 in order to be eligible for the Pennsylvania State Grant.

SCHOLARSHIPS

All students who are offered admission and submit a FAFSA are considered for scholarships awarded by the Office of Student Aid. Some academic colleges, campuses, and other administrative units may require additional information for a particular scholarship award. Notification of scholarship awards begins in early spring.

Estimating your admission eligibility

At Penn State, an admission decision is an academic decision.

You’re applying to college—an academic endeavor—and, in reviewing your application, we are basing our decision on your academic credentials. Your prior academic record gives us a good idea of how prepared you are for the Penn State classroom.

HOW ADMISSIONS DECISIONS ARE MADE

Two-thirds of decision based upon high school academic record.
(grades and rigor of schedule)

One-third of decision based upon standardized test scores.
(either the SAT or the ACT)

Middle 50 Percent of Admitted Students (Fall 2018)
For estimating purposes only.

Keep in mind that the middle 50 percent ranges shown below are not cutoffs or averages. Rather, they show what the majority of those accepted into Penn State looked like academically at the time they were offered admission. And remember that 25 percent of those offered admission were above the high end of the chart and that 25 percent were just slightly below the lower end of those ranges. This chart in no way represents a promise or guarantee of admission.

Making choices

To help you think things through, follow these steps when applying to Penn State:

1. **What to study**—You’ve seen our majors listed on pages 8–10 and looked over the 275+ majors at Penn State.

Now, if you can narrow down your interests to fit a specific major or several majors that fall under one college, great. If not, consider entering Penn State through the Division of Undergraduate Studies, our exploratory program.

2. **Where**—With 20 campuses across Pennsylvania, choose a campus that is the right fit for you. Think about location. Consider housing. Look at costs. And keep in mind that almost all majors can be started at any Penn State campus and will finish with your final two years of study at the University Park campus.

3. **How much**—College is a major investment, so knowing the costs up front is important. Figure out how you plan to pay for your education. Consider lower-cost campuses to make a Penn State degree more affordable right from the start.

4. **When**—If you are applying to University Park as your first choice, we strongly encourage you to consider adding the summer start option to your application. The six-week summer session, which begins in late June, can give you a head start on your studies and adjusting to life at Penn State.

---

**APPLICATION TIMELINE—KEY DATES IN THE APPLICATION PROCESS**

**AUGUST 1**
The undergraduate applications are available on this date. Get started at admissions.psu.edu

**NOVEMBER 1**
Early Action deadline. Submitting an Early Action application means you will have a decision by December 24!

**DECEMBER 1**
Submit your FAFSA to Penn State by December 1 to maximize financial aid consideration.

**NOVEMBER 30**
Priority Filing Date. Submitting a complete application by November 30 means your application will be reviewed and a decision made by January 31.
SOME THINGS TO KEEP IN MIND WHEN APPLYING

- Of all of Penn State’s campuses, **University Park, particularly for the fall semester, is the most competitive and selective** when it comes to admission.
  - To give yourself a second review for University Park admission, add the summer session option to your application.

- Speaking of campus selection, admission criteria varies by campus. You are allowed to select up to two campuses on your application.

- We—Penn State Undergraduate Admissions—will **review your application based on your preferences**. That means your first review will be for your first-choice campus and term.

- Make sure your intended major can be completed at **the campus where you plan to earn your degree** (you can review each major and find the starting and ending campuses at admissions.psu.edu/majors).

- Review the **high school requirements for your intended major** at admissions.psu.edu/apply/requirements/4year.

  A half-year of trigonometry, pre-calculus, or calculus is required for admission into the following:

  - Smeal College of Business
  - all other business degrees offered at individual campuses
  - College of Earth and Mineral Science
  - College of Engineering
  - engineering and engineering technology degrees offered at Penn State Behrend and Penn State Harrisburg
  - College of Information Sciences and Technology
  - Eberly College of Science
  - all other science degrees offered at Penn State Altoona, Penn State Abington, Penn State Behrend, Penn State Berks, Penn State Harrisburg, and Penn State Lehigh Valley

  - Penn State now accepts applications through **MyPennState**; through the **Coalition Application**; and through the **Common App**. You may complete an application to Penn State starting **August 1**.

---

**What does it mean to submit a complete application?**

- Your online application is finished and complete
- Your SAT or ACT test scores were sent to Penn State by the testing agency (SAT code #2660; ACT code #3656).
- **Plan ahead—the scores must be received by Penn State by November 1 to meet the Early Action deadline and by November 30 if you are on the Priority Filing Date time-line.**
- A complete and accurate high school record has been submitted.

---

**MID-FEBRUARY** — Student aid awarding begins.

**DECEMBER 24**  
Students applying **Early Action** will receive their decision.

**JANUARY 31**  
If you submitted a complete application by the November 30 Priority Filing Date, you will receive an admission decision by this date.

**MAY 1**  
**National Acceptance Day**  
For most students, this date is the deadline for accepting your offer of admission by paying your deposit.
At Penn State, making your mark gets personal.

Penn Staters share a passion for making the world a better place. And Penn Staters know that making that mark—that impact—can be done in and out of the classroom.

Making a mark is about building things that last. At Penn State, it can be found in the people you meet, the projects and organizations that you get involved in, and the memories you make that will last a lifetime.

CAMPUS SECURITY CRIME STATISTICS The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and Pennsylvania Act of 1988 require that crime statistics for Pennsylvania colleges and universities be made available to applicants upon request. Penn State’s combined Annual Security and Annual Fire Safety Report includes statistics for the previous three years concerning reported crimes that occurred on campus, in certain off-campus buildings owned or controlled by the University, and on public property within or immediately adjacent to and accessible from the campus. The report also includes institutional policies concerning campus security, such as those concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, and other matters. You may obtain this information for the Penn State campus to which you are applying by accessing the website at www.police.psu.edu/clery/. A printed copy of the report may be obtained by writing to University Police & Public Safety, The Pennsylvania State University, Eisenhower Parking Deck, University Park PA 16802-5703 or by calling 814-865-1864.
