Welcome to Penn State.

YOU DID IT. Your hard work has paid off and now it’s time to decide what the next four or so years of your life will look like. And if you’re anything like us, you’re not willing to just wait and see what the future holds—you’re ready to run it.

WE’RE READY FOR YOU. Start planning your Penn State experience.

A benefit of becoming a Penn State student is that you’ll be put on a path toward earning a globally recognized degree, no matter which campus you choose. A Penn State degree is a Penn State degree, whether you decide to start and stay at one campus or choose to transition to another campus, like University Park, for your final two years.

Should you decide to transition to another campus and participate in the 2+2 Plan, you do not need to apply to that campus. You will work with your Penn State adviser to complete the seamless transition.

No matter which pathway you choose, you will have access to the same high-quality curriculum, faculty who are among the best in their fields, and experiences that will set you up for success.
