20

UNIQUE CAMPUSES
ACROSS THE STATE

AND AROUND THE WORLD
THROUGH THE WORLD CAMPUS,
OUR ONLINE LEARNING LOCATION

Join Penn State, and the community impacting the future, today.

As you consider transferring to Penn State, know that we're here to help you succeed. At Penn State, you'll join a globally recognized university that ranks among the nation's best for setting graduates up for greater career potential. You'll be part of a community committed to your success, and when you graduate, you'll join a network of Penn Staters that span the globe, willing to open doors to a lifetime of opportunity.

AM I A TRANSFER STUDENT?

You are a transfer student if you have attempted 18 or more semester credits at another college or university after high school graduation or GED completion.

TRANSFER STUDENT ELIGIBILITY

All of Penn State's 275-plus majors are divided among the twelve academic colleges at the University Park campus and the six academic colleges across Pennsylvania. You can complete an undergraduate degree at any of the 20 campuses or Penn State World Campus.

- > Typically, academic colleges require students to have completed any prerequisite coursework with a grade of C/2.0 or better in order to be admitted into a major.
- > Not all majors at Penn State are open to transfer students. Review the transfer requirements for each major at admissions.psu.edu/info/future/transfer/eligibility.

APPLICATION REVIEW PROCESS

The application review of a transfer student is based on the student's work at their previous institution(s). Transfer applicants that meet the necessary requirements and application deadline are eligible for review for transfer admission.

- > University Park: minimum of 2.5 grade-point average, though some majors have higher requirements.*
- > For campuses other than University Park: minimum 2.0 grade-point average, though some campuses and majors have higher requirements.
- > Individual majors and/or campuses may require an audition, portfolio, or interview as part of the application.
- > Special consideration may be given to adult learners and active duty military/veteran students when making the admissions decision.

* Note: students with less than four full-time semesters of college coursework by the time they wish to enroll at University Park will be referred to another Penn State campus until they have completed the required coursework; at which point, they may be eligible to transition to University Park to complete their degree.

Penn State is recognized by many prominent publications and organizations as a **MILITARY-FRIENDLY UNIVERSITY**. If you are serving in the military, (Active Duty, National Guard, or Reserve), a veteran, or a military family member, you will have access to a wealth of services to support you.

As a U.S. Armed Forces veteran or a U.S. Armed Forces servicemember serving on Active Duty or in the National Guard or Reserve, you will also be classified as an adult learner. To learn more about applying as an adult learner, you may visit admissions.psu.edu/info/future/adult.

ONE UNIVERSITY

20 CAMPUSES

CHOOSING A PENN STATE CAMPUS AND PROGRAM

The path toward a Penn State degree can start wherever is right for you. We have the right options to meet your needs through tailored learning opportunities and the resources of twenty campuses and the World Campus.

- ▶ **20 campuses** across Pennsylvania in unique community settings and an online World Campus
- ▶ **Not limited by physical location**—we have 8,500 faculty across all campuses who collaborate to offer the same high-quality curriculum regardless of which campus you attend
- ▶ **Four-year degrees** at every campus
- ▶ **Two-year degrees** at 19 campuses
- ▶ **Engaged learning opportunities** capitalizing on campus partnerships with local business and industry
- ▶ **Clubs, organizations, and athletic teams** at all locations

"I transferred to Penn State York because I wanted to further my educational goals at a place that allows individuals to strive to make their dreams become a reality. Becoming part of the Penn State family has offered me nothing but inspiration, guidance, and support throughout my college experience and has helped me to reach my fullest potential."

WE'LL SET YOU UP FOR SUCCESS

MAJORS TO MATCH YOUR INTERESTS AND LOCATION

Regardless of which major you choose, you'll benefit from a learning environment that is collaborative and spans disciplines. You'll learn from the views and knowledge of others while sharpening your own critical thinking skills.

BACCALAUREATE (FOUR-YEAR) DEGREE PROGRAMS

- Many campuses offer similar majors. Choose the campus and the major that will work best for your individual needs and interests.
- Majors offered through the World Campus, Penn State's online program, must be started and completed through the World Campus.
- Each major has its own unique requirements for admission. Please keep in mind successful completion of required coursework is not a guarantee of admission to your intended major. For a list of each program's requirements please visit the transfer eligibility web page: admissions.psu.edu/info/future/transfer/eligibility/

TAKE YOUR NEXT STEPS

APPLYING TO PENN STATE

Transfer applicants to Penn State are evaluated primarily on the strength of their college transcript(s).

Penn State's admission application is available online at:

admissions.psu.edu

How Penn State Transfers Credits

To understand how Penn State transfers credit and to search for the transfer evaluation of coursework at other institutions, visit, admissions.psu.edu/credit.

If accepted, students will receive an evaluation of transferable credits. This evaluation will outline the awarded credit, while the academic unit to which the student has been admitted will determine how credits will be used to fulfill degree requirements in a student's program of study. For more information about degree program requirements visit, bulletins.psu.edu.

Steps to apply as a transfer student

- Step 1: Review requirements**
Review transfer requirements for your intended major and campus at admissions.psu.edu/transfer.
- Step 2: Set up your MyPennState profile**
This profile allows you to apply online, check your application status, accept your offer, and schedule a visit.
- Step 3: Complete an online application**
There is a nonrefundable \$65 application fee. The fee is \$75 for international students.
- Step 4: Send in official college transcript(s)**
Transcripts are required from all colleges where courses were attempted. Transcripts must be sent directly from the college to Penn State to be considered official. If applicable, please submit your current class schedule.
- Step 5: Check your MyPennState checklist**
You can find updates on the status of your application review and decision in MyPennState.

OTHER THINGS TO CONSIDER:

- The SAT/ACT is NOT required for transfer applicants.
- International students whose native language is not English must also submit proof of English language proficiency.
- Students who completed high school outside of the US are required to submit high school transcripts and/or GED transcripts as part of the application.
- If you are an active duty military member or a veteran of the armed forces, please visit the Penn State Office of Veterans Programs website for additional information: equity.psu.edu/veterans.
- The Prior Learning Assessment website has resources for how students can earn Penn State credit for prior experiences (i.e. college courses, portfolio, military service, credit by exam, etc.).
Visit priorlearning.psu.edu to learn more.

APPLICATION REVIEW PROCESS

The application review process for transfer admission is unique for each student and varies based on a number of factors.

While we make some admission decisions when students are still completing courses at another college or university, we often require that final transcript from that institution prior to making a decision.

We will contact you if we need your final transcript to make your admission decision.

Accepted Students Next Steps

If you are admitted, your MyPennState profile will be updated with an offer of admission, which you can accept online. You also will be sent a letter and an evaluation of transferable credits.

Accept your offer of admission in MyPennState and start the enrollment process by paying your non-refundable enrollment fees and deposits.

Request your final high school transcript be sent to Penn State as verification of high school graduation.

After you accept your offer, contact your campus or academic college to inquire about:

—academic advising and course scheduling,

—transfer student orientation,

—how transferred courses will apply to your degree.

Have your FAFSA sent to Penn State, if you have not already done so.

Contact the housing office at your campus of admission to explore housing options available to you.

Before classes start, visit your campus to obtain:

—a Penn State ID and a student computer account,

—a parking permit, if necessary.

Explore LionPATH, Penn State's student information system:

—review financial aid awards,

—schedule classes,

—receive your bill and pay your tuition and fees.

View Your Suggested Academic Plan. View information about academic majors and suggested academic plans at bulletins.psu.edu/programs.

Review the academic calendar, campus maps, bus schedules, and other useful University materials.

Applying for financial aid

Financial aid—whether in the form of loans, grants, work-study, or scholarships—can be an important part of putting a Penn State degree within reach.

- ▶ The first step of the financial aid application process is to submit the **Free Application for Federal Student Aid (FAFSA)** via studentaid.gov. Penn State's federal school code is **003329**.
- ▶ If you are planning to transfer to Penn State, notify your prior school that you will not be returning. If you have already completed the FAFSA, call the **Federal Student Aid Information Center, 800-433-3243**, to request that your FAFSA be released to Penn State.

SCHOLARSHIPS

All students who are offered admission and submit a FAFSA are considered for scholarships. Some academic colleges, campuses, and other administrative units require separate applications.

Students transferring from a Pennsylvania community college to one of the Penn State Commonwealth campuses may be eligible to earn transfer-specific awards, such as those through the RaiseMe program. Learn more at raisemetransfer.psu.edu. Please contact your intended campus of study to inquire further.

When to Apply for Admission

- ▶ **For summer or fall semester admission:** Applications open August 1 for the subsequent summer or fall
- ▶ **For spring semester admission:** Applications open June 1 for the following spring
- ▶ **For more detailed information on application dates, visit admissions.psu.edu/apply/deadlines**

TUITION AND COSTS

Penn State's Board of Trustees sets tuition each July for the upcoming academic year. Tuition rates vary by campus and student level. To estimate your costs to attend Penn State, access the College Cost Calculator at tuition.psu.edu.

- ▶ When a student has completed 59.1 or more credits, they are considered an "upper division" student. The upper division tuition rate will apply to students regardless of how those credits are earned.

FIND OUT MORE

admissions.psu.edu

 @psuadmissions

The University is committed to equal access to programs, facilities, admission and employment for all persons. It is the policy of the University to maintain an environment free of harassment and free of discrimination against any person because of age, race, color, ancestry, national origin, religion, creed, service in the uniformed services (as defined in state and federal law), veteran status, sex, sexual orientation, marital or family status, pregnancy, pregnancy-related conditions, physical or mental disability, gender, perceived gender, gender identity, genetic information or political ideas. Discriminatory conduct and harassment, as well as sexual misconduct and relationship violence, violates the dignity of individuals, impedes the realization of the University's educational mission, and will not be tolerated. Direct all inquiries regarding the nondiscrimination policy to Dr. Kenneth Lehrman III, Vice Provost for Affirmative Action, Affirmative Action Office, The Pennsylvania State University, 328 Boucke Building, University Park, PA 16802-5901, Email: kfl2@psu.edu, Tel (814) 863-0471.

CAMPUS SECURITY CRIME STATISTICS: Pursuant to the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and the Pennsylvania Act of 1988, Penn State publishes a combined Annual Security and Annual Fire Safety Report (ASR). The ASR includes crime statistics and institutional policies concerning campus security, such as those related to alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, and other matters. The ASR is available for review at <https://police.psu.edu/annual-security-reports>.

THIS PUBLICATION IS AVAILABLE IN ALTERNATIVE MEDIA ON REQUEST. U.Ed. UAO 22-353 MPC S161783

"As a transfer student, I love the fact that I feel at home. Penn State Abington had an opportunity I never dreamed of. In my college journey, there was nothing but love, a bounded community, and encouragement. The community here finds any or all potential in you, and they help you step out of your comfort zone and explore the world and all that it has. I am a Penn Stater at heart and will always be a Penn Stater."

— ASAWIR ABDELIGADIR
Science major, Penn State Abington
