

# SUMMER 2022

# LEAP

**Learning  
Edge  
Academic  
Program**

Penn State's summer program for new, first-year students

## Registration opens

**Mon., March 14 at 6:00 p.m.**

View LEAP 2022 courses at [leap.psu.edu](http://leap.psu.edu) in early January.

Watch your email for more information.

## Join a Pride

A LEAP Pride consists of 24 first-year students and a student mentor. You will live together in a LEAP residence hall and explore the University Park campus during the quieter summer months.

## Make Connections

Use LEAP to make new friends and connect with classmates, professors, and academic departments in the summer so you are prepared for the fall semester.

## Get Ahead

Participate in two integrated General Education classes as part of LEAP and get a head start on your course work to build a great foundation for your academic career.

*The LEAP program helped me understand the level college professors were looking for when it comes to work. I also felt that I truly got a great understanding of the Penn State community and I feel a part of something way bigger than myself. I honestly think that it would have been a huge culture shock for me going into the fall semester without LEAP.*  
—2021 LEAP student

*I have a better sense of classes for the fall and knowledge of how to excel in my academics. I also have made friends through LEAP and learned Canvas, LionPATH, and similar applications that I will use throughout my time at Penn State.*  
—2021 LEAP student

**Admitted for FALL 2022 but want to participate in LEAP?** Accept your offer for fall, then contact Admissions at 814-865-5471 to have your starting term changed from fall to summer.
